SHORT FORM ORDER
SUPREME COURT - STATE OF NEW YORK

Present:

HON. BRUCE D. ALPERT

Justice
TRIAL/IAS, PART 4
NASSAU COUNTY

JULIE EPPLE,

Plaintiff,

Index No. 1988/03

-against-

Motion Sequence No. 2

Motion Date: April 5, 2004

ROSE J. TRESHAN and GREGG TRESHAN,

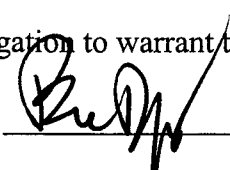

Defendants.

The following papers read on this application to vacate certificate of readiness

Notice of Motion	X
Answering Affirmation	X
Reply Affirmation	X

Upon the foregoing papers it is ordered that the defendants' application to vacate the plaintiff's certificate of readiness is denied. In the alternative, the plaintiff, within twenty days of the service of a copy of this Order upon her attorneys, is directed to exchange with adverse counsel duly executed and notarized authorizations for the release of the records requested within the movants' January 14, 2004 discovery demand, as there appears to be a sufficient overlap between the injuries sustained by the plaintiff in a prior accident and those claimed in this litigation to warrant the discovery sought.
